

Who We Are

Gold Sponsor

American Highway Users Alliance
1101 14th Street, NW
Suite 750
Washington, DC 20005
(202) 857-1200
www.highways.org

The American Highway Users Alliance is the broadest-based transportation coalition in Washington, DC, focused exclusively on promoting highway system performance, roadway safety improvements and freedom of mobility. Founded in 1932 as a nonprofit organization, The Highway Users serves as a respected advocate for the motorist and all who champion safe and efficient roads.

Silver Sponsors

American Concrete Pavement Association
5420 Old Orchard Road
Suite A100
Skokie, IL 60077
(847) 966-2272
www.pavement.com

The American Concrete Pavement Association (ACPA) is the national trade association for the concrete pavement industry. ACPA's mission is to create and maintain a strong national presence through dynamic, strategic leadership; effective technical expertise and resources; and persuasive advocacy on behalf of the concrete pavement industry.

Associated General Contractors of America
2300 Wilson Boulevard
Suite 400
Arlington, VA 22201
(703) 548-3118
www.agc.org

The Associated General Contractors of America (AGC) is the largest and oldest national construction trade association in the United States. Through a nationwide network of chapters, AGC represents more than 33,000 firms, including 7,500 of America's leading general contractors. AGC members build the nation's infrastructure including highways, bridges, transit, railroad, and other transportation facilities.

American Trucking Associations
950 North Glebe Road
Suite 210
Arlington, VA 22203-4181
(703) 838-1700
www.truckline.com

The American Trucking Associations (ATA) is the national voice for the trucking industry before Capitol Hill, regulators, the courts and the media. It is the driving force in effecting change, ensuring that the industry's interests are vigorously promoted and improving the business climate for trucking companies. At the same time we are promoting safety and sound environmental policies to benefit all of America.

Who We Are

Bronze Sponsors

American Road & Transportation Builders Association
1219 28th Street, NW
Washington, DC 20007
(202) 289-4434
www.artba.org

The American Road & Transportation Builders Association (ARTBA) is the “consensus voice” of transportation design and construction industry in Washington, D.C. On behalf of its more than 5,000 public and private sector members, ARTBA’s primary goal is to aggressively grow and protect transportation infrastructure investment to meet the public and business demand for safe and efficient travel. In support of this mission, ARTBA also provides programs and services designed to give its members a global competitive edge.

Associated Equipment Distributors

615 West 22nd Street
Oak Brook, IL 60523
(800) 388-0650
www.aednet.org

Associated Equipment Distributors (AED) is an international trade association representing companies involved in the distribution, rental, and support of equipment used in construction, mining, forestry, power generation, agriculture and industrial applications. AED’s 750 distributor member companies account for over \$15 billion of annual sales of construction equipment and related supplies and services in the United States and Canada. The average AED distributor member achieves over \$20 million per year of revenues, and employs 90 people.

Association of Equipment Manufacturers

6737 W. Washington Street, Suite 2400
Milwaukee, WI 53214
(414) 272-0943
www.aem.org

The Association of Equipment Manufacturers (AEM) is an international trade and business development resource for companies that manufacture equipment, products and services used worldwide in the agricultural, construction, forestry, mining and utility industries. Association core services include product safety and technical support, market information and equipment statistics, public policy representation, trade shows, international support services, education and training programs, worksite safety/educational materials and workforce development activities. AEM ‘s value to the membership is extended by the Association’s ownership role in and/or management of leading industry trade shows, including CONEXPO-CON/AGG, ICUEE – The Demo Expo, CONEXPO Asia, CONEXPO Russia, IFPE - International Exposition for Power Transmission, World of Asphalt Show & Conference, Constructor EXPO and AGG1 Aggregate Forum & EXPO.

Motor & Equipment Manufacturers Association

10 Laboratory Drive
P.O. Box 13966
Research Triangle Park, NC

(919) 549-4800
www.mema.org

The Motor & Equipment Manufacturers Association (MEMA), www.mema.org, represents motor vehicle parts suppliers, the nation’s largest manufacturing sector which directly employs 783,100 U.S. workers and contributes to 4.5 million private industry jobs across the country. Suppliers manufacture the parts and technology used in the domestic production of more than 11 million new cars and trucks produced each year, and the aftermarket products necessary to repair and maintain more than 247 million vehicles on the

Who We Are

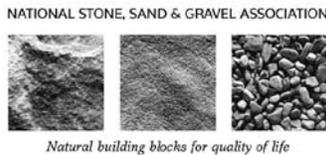

road today. MEMA supports its members through its three market segment associations, Automotive Aftermarket Suppliers Association (AASA), Heavy Duty Manufacturers Association (HDMA) and Original Equipment Suppliers Association (OESA).

National Asphalt Pavement Association
5100 Forbes Boulevard
Lanham, MD 20706
(888) 468-6499
www.hotmix.org

Founded in 1955, the National Asphalt Pavement Association (NAPA) represents the interests of the asphalt pavement producer and paving contractor on the national level. The association represents nearly 1,200 companies. There is an asphalt pavement plant in nearly every Congressional district.

National Stone, Sand and Gravel Association
1605 King Street
Alexandria, VA 22314
(703) 525-8788
www.nssga.org

NSSGA is the National Stone, Sand and Gravel Association. On February 12, 2001, the merged National Stone Association and National Aggregates Association became the NSSGA. The association represents the crushed stone, sand and gravel-or aggregates-industries. Our member companies produce more than 92 percent of the crushed stone and 75 percent of the sand and gravel consumed annually in the United States. More than three billion tons of aggregates (or 2.95 billion metric tons) were produced in 2006 at a value of approximately \$21 billion, contributing nearly \$40 billion to the GDP of the United States. The aggregates industry workforce is made up of about 118,000 men and women. Every \$1 million in aggregate sales creates 19.5 jobs, and every dollar of industry output returns \$1.58 to the economy.

Owner-Operator Independent Drivers Association
1 NW OOIDA Drive
Grain Valley, MO 64029
(800) 444-5791
www.oida.com

The Owner-Operator Independent Drivers Association (OOIDA) is the national trade association representing the interests of small business trucking professionals and professional truck drivers. Small business truckers (companies operating six or fewer trucks) comprise close to 80 percent of the motor carrier industry. OOIDA represents more truck drivers and more trucking companies than any other association in that industry. The Association currently has over 162,000 members from all 50 states.

Recreation Vehicle Industry Association
1896 Preston White Drive
Reston, VA 20191
(703) 620-6003
www.rvia.org

The Recreation Vehicle Industry Association (RVIA) is the national trade association representing recreation vehicle (RV) manufacturers and their component parts suppliers who together build more than 98 percent of all RVs produced in the United States. RVIA is a unifying force for safety and professionalism within the RV industry and works with both federal and state government agencies to protect the interests of its members.

Who We Are

Specialized Carriers &
Rigging Association
2750 Prosperity Avenue
Suite 620
Fairfax, VA 22031
(703) 698-0291
www.scranet.org

**Specialized
Carriers
& Rigging
Association**

The Specialized Carriers & Rigging Association (SC&RA) is an international trade association of nearly 1,300 members from 43 nations. Members are involved in specialized transportation, machinery moving and erecting, industrial maintenance, millwrighting and crane and rigging operations, manufacturing and rental. SC&RA helps members run more efficient and safer businesses by monitoring and affecting pending legislation and regulatory policies at the state and national levels; researching and reporting on safety concerns and best business practices; and providing four yearly forums where these and other relevant member issues can be advanced.

TRIP
